## Notice To Policyholders Regarding Terrorism Insurance Coverage And Rejection Of Terrorism Coverage

You are hereby notified that under the Terrorism Risk Insurance Act your policy provides coverage for losses arising out of certified acts of terrorism, as defined in Section 102(1) of the Act. The term "certified act of terrorism" means any act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the government by coercion.

You should know that coverage provided by this policy for losses caused by "certified acts of terrorism" is partially reimbursed by the United States government under a formula established by federal law. Under this formula, the United States pays a percentage of covered terrorism losses exceeding the statutorily established deductible paid by us as your insurer. The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under the Act.

You should also know that the Terrorism Risk Insurance Act contains a \$100 billion cap that limits U.S. Government reimbursement and our liability for losses resulting from Certified Acts of Terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The premium cost for such "certified acts of terrorism" is \$ **675.00**

You have the right to decline this coverage for "certified acts of terrorism." If you choose to do so, you must sign this form and return it in the enclosed envelope within 30 days of the effective date of this policy. If this policy provides primary coverage for general liability and coverage for "certified acts of terrorism" is declined, that declination will also apply to any umbrella or excess policy issued for this policy by any member Company or Exchange of the Farmers Insurance Group of Companies®

### Rejection Of Coverage For "Certified Acts Of Terrorism"

I hereby elect to reject coverage for "Certified Acts of Terrorism." I acknowledge that by signing this Rejection of Coverage of "Certified Acts of Terrorism" that I understand and agree that I will not have any coverage for such losses under this policy.

## FREQUENTLY ASKED QUESTIONS

As a member of Farmers Insurance Exchange, we want you to understand the basics of the operation of an Exchange because, as you will see below, you are an owner of the Exchange.

### What is an Exchange?

An Exchange is an insurance organization, which operates in most ways like any other insurance company, but with a few key differences. Farmers Insurance Exchange was organized under a provision in the California Insurance Code, which allows insureds to "exchange" policies with other insureds. Because the insureds cannot practically be involved in actually issuing policies, collecting premium, paying commissions to agents, etc., they appoint a third party - called an "attorney-in-fact" (AIF) - to perform those duties on their behalf for a fee. That appointment is made through a document called a "Subscription Agreement." You were asked to sign a Subscription Agreement at the time you applied for insurance with Farmers Insurance Exchange and that is how you became a member (aka subscriber).

### Who owns the Exchange?

You do. Subscribers of the Exchange are owners until such time as they no longer have insurance from the Exchange. Subscribers elect a Board of Governors which supervises the financial affairs of the Exchange and the performance of the AIF in conformity with the Subscription Agreement terms.

### Why is an AIF fee paid to Farmers Underwriters Association (FUA)?

Under the Subscription Agreement mentioned above, members appoint FUA to perform certain of the tasks, such as policy issuance and collection of premium, which are involved in running an insurance operation. The Subscription Agreement specifies an AIF fee of 20 percent of premium, although FUA has taken less than that amount.

### What is FUA?

FUA is the business name utilized by Farmers Group, Inc. (FGI) to describe its functions as the AIF for Farmers Insurance Exchange. FGI is part of the Zurich Insurance Group, Ltd (ZIG), a Swiss company. Neither FUA, FGI nor ZIG has any ownership interest in Farmers Insurance Exchange, which is owned by its subscribers (insureds).

### How was your premium dollar spent by Farmers Insurance Exchange in 2021?

Your premium dollar covers Exchange costs including losses incurred, acquisition costs, taxes, license fees, the AIF fee, and any contributions to surplus. For 2021, the AIF fee was 12.7% of the premium dollar, which included the AIF profit of 6.48% of the premium dollar for that year.

### Can the Exchange lose money?

If premiums collected exceed claims payments and other expenses (including the fee for the AIF), then the Exchange retains those net premium earnings (as contributions to surplus). If premiums are not sufficient to cover claims and expenses, the Exchange will lose money. That's one reason it is important to build surplus to pay future losses. The AIF does not participate in claims losses and does not enjoy any net premium earnings. Importantly, subscribers are not responsible for any losses the Exchange might suffer.

### How can I exercise my right to vote?

You may exercise your voting rights in any of the following ways:

1. By attending the annual members' meeting in Woodland Hills, CA on March 20, 2023 at 2 PM,
2. Electronically through your Farmers.com account (voting will be available from January 1, 2023 to March 10, 2023 and you will be required to create a Farmers.com account if you do not already have one), or
3. Through mail by requesting a paper proxy from the Subscriber Relations Office (completed proxies must be received by March 10, 2023)

### Where can I get more information about the Exchange, or obtain a paper proxy?

You can go to [www.farmers.com/about-us](http://www.farmers.com/about-us) for most questions. If you have additional questions or want to obtain a paper proxy along with a postage paid envelope to confidentially return your proxy, please contact:

## **Notice Regarding An Increase In Building Ordinance Coverage Limits**

Thank you for choosing Farmers® for your insurance needs. We are committed to offering the best possible products and services and we want to keep you informed of an update to your policy.

After careful review of your coverage, we have determined that it is appropriate to increase your limit of insurance for the Building Ordinance and Law coverage parts pertaining to the cost of Demolition and the Increased Cost of Construction.

The new amount of insurance provided reflects the new limit of 5% of the insured building value. Please refer to your Declarations page for the new limits. The new premium for this coverage is reflected in your renewal offer. This change is important due to a combination of factors including economic conditions that have led to increased costs of labor and materials. We want you to have the coverage necessary in the event of a loss. This new limit will be effective at 12:01 A.M. on the date of your renewal.

This notice is for informational purposes only; it is not a part of your insurance contract, nor is it a substitute for reviewing your policy. Please take a moment to carefully review your policy and its attached endorsements to better understand the terms and conditions of your coverage.

If you have any questions, please contact your Farmers agent.

J7155-ED1 W1193-ED1	Cyber Liability Coverage Form Cyber Liab - CA Amendatory Endor

Dear Valued Customer,

Have the growth of your business and rising labor costs reduced the accuracy of the payroll or revenue shown on your policy? Have increased costs and inflationary trends reduced the protection provided by your policy? Building and Business Personal Property insurance limits, once adequate, may no longer meet today's repair or replacement costs.

To help compensate for these inflationary trends, the limits of insurance for Building and/or Business Personal Property coverages have been increased by a modest percentage. To keep your policy current with rising labor costs and normal business growth, the payroll and/or revenue have also been increased by a modest percentage.

This renewal offer includes the adjusted limits of insurance, payroll, revenue, and premium for your policy. The adjustments are relatively small, and they're based on estimated increases in the past year's construction and repair costs, as well as other inflationary factors, such as rising labor costs and normal business growth.

These increases do not guarantee adequate coverage for any loss; they are based on estimates. It is possible, for example, that updates or improvements to your property or increased sales might cause your individual needs for coverage to be greater than the amount provided by these adjustments. If you have not reviewed your policy recently, the effects of inflationary changes over time create the likelihood that the increases we made are less than the increases you need for optimal coverage.

These changes are made to better serve your insurance needs, and we encourage you to contact your Farmers<sup>®</sup> agent, who will be pleased to help you with a comprehensive review of your policy.

Acceptance of these changes does not waive the provisions of the coinsurance clause or any other policy clause.

Thank you for choosing Farmers. We appreciate your business.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
