

PRIOR TO WORK COMMENCING – ASBESTOS LAW

The following rules in whole or in part are applicable to owners and operators.

Any demolition or renovation activity and the associated disturbance of asbestos containing material. **Prior to work commencing**, the California Asbestos Law requires the owner or the contractor to do asbestos testing. Please be aware that when you are doing any renovation in your unit the law states the following: Rule 1403. Asbestos emissions from demolition/renovation activities (Adopted 10/6/1989, amended 4/8/1994, amended 11/3/2006, amended 10/5/2007) (A) Purpose: The Purpose of this rule is to specify work practice requirements to limit asbestos emissions from building demolition and renovation activities, including the removal and associated disturbance of asbestos-containing materials (ACM). The requirements for demolition and renovation activities include asbestos surveying, notification, ACM removal procedures and time schedules. ACM handling and clean-up procedures and storage, disposal, and land filing requirements for asbestos-containing waste materials (ACWM). All operators are required to maintain records, including waste shipment records, and are required to use appropriate. warning labels, signs and markings.
